

These fast-paced learning games strengthen your students' accuracy and speed as they work toward quick recall of their basic math facts. Students enjoy all the action as their quick and accurate answers accumulate points. Teachers enjoy the time-on-task learning and the ability to easily adjust difficulty levels.

Series Benefits

- Action-packed graphics and animation motivate students toward mastery
- Provides opportunities for mixed practice
- Management allows teachers to track student progress on each factor practiced
- Provides correct answers for missed problems

Series Applications

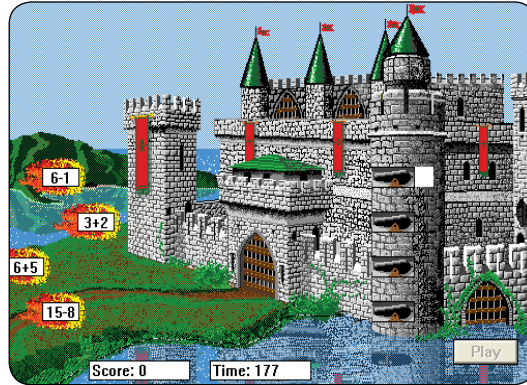

- Use to supplement basic facts instruction
- Use the high scoreboard feature to motivate students to improve

Series Management

- Monitors students' progress automatically
- Allows teachers to adjust difficulty levels, speed, and time limits

	Enrichment	Core	Remedial
Beginning	K	1	2
Advanced	3	4	5
Mixed Prac.	6	7	8
	9	10	11
	12		

ADDITION & SUBTRACTION DEFENDERS

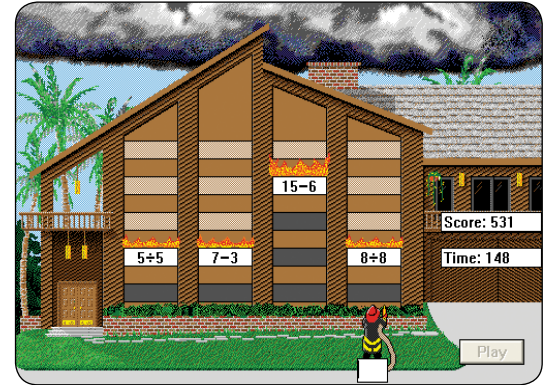

As fireballs whiz toward the castle, students must answer addition and subtraction facts to defend it. There are over fifty levels of difficulty.

Key Concepts include:

- Finding sums of 0 through 18
- Subtracting from 18 or less

NUMBER FACTS FIRE ZAPPER

As a raging fire burns, players answer number fact problems to douse the flames.

Key Concepts include:

- Finding sums and differences from 0 through 18
- Multiplying and dividing by 0 through 9

ON TARGET MULTIPLY & DIVIDE

Student sharpshooters topple targets with correct answers to multiplication and division fact problems.

Key Concepts include:

- Multiplying by 0 through 10
- Dividing by 0 through 10

Reporting

SKILL	SCORE	PERCENT
Factors of 2	3 of 3	100%
Factors of 5	1 of 1	100%
Factors of 6	2 of 2	100%
Factors of 7	1 of 2	50%
Factors of 9	2 of 2	100%
Divisors of 1	2 of 2	100%
Divisors of 2	3 of 4	75%
Divisors of 3	1 of 1	100%
Divisors of 4	2 of 4	50%
Divisors of 6	1 of 2	50%

The Number Facts Series provides detailed information in its reports. Teachers may modify program parameters to make sure students spend their computer time on those skills that need practice.
