

Fifteen activities systematically teach students how to form words phonetically and then use those words in sentences and stories. A reinforcement game is provided at the completion of each skill.

Series Benefits

- Words are spoken and shown on screen
- Focus on positive approach with rewards
- Each activity is designed to take only 5-10 minutes
- Comprehension questions are also presented graphically

Series Applications

- Games and activities motivate students while reinforcing key skills
- Designed for students of varying attention spans and abilities
- Students are given two chances to answer a question correctly

	Enrichment	Core	Remedial
Level A	K	1	2
Level B	3	4	5
Level C	6	7	8
